## Oak Trace Elementary is participating in Bike to School Day on Wednesday May 8<sup>th</sup>

Join children and adults around the nation to celebrate  
the benefits of bicycling and walking.

### About our event:

Please join us for National Bike to School Day on Wednesday May 8<sup>th</sup>. The Westfield Police, City Parks Department and Oak Trace Elementary School are working together to provide students and parents with a safe route to school on this special day!

Riders will meet at the Countryside Clubhouse located at the intersection of 169<sup>th</sup> Street & Countryside Blvd.  
Meeting time is 8:00 am.

The route will be along a bike safe path through the Countryside subdivision (see map <http://maps.walkbiketoschool.org/#share/OTcw/29889>). Westfield Police will assist in keeping the route free of traffic at points (3) where the path crosses the road. Once you arrive at school, riders will gather in the back by the playground for a celebration.

Please let us know if you will be riding to school that morning and if you will be picked up at the end of the day or riding your bike back along the safe route. To register for the event, fill out the back of this form and return it to school by Friday April 26. If you have questions, or would like to volunteer to help along the bike route please call us at 867-6400 or e-mail Principal Lynch at [lynchr@wws.k12.in.us](mailto:lynchr@wws.k12.in.us).
